

1.	Event Title	Talk session on "Introduction to GIT"
2.	Event Date	7th October 2023
3.	Event Time	8-9PM IST
4.	Objective of the Event	To create awareness among students on GIT
5.	Participant Category (Pre-University/Undergraduate/Graduate/ General Public/Women/Academicians/ Industry)	Undergraduate students
6.	Number of Participants (Registered/Attended)	60 (approx)
7.	IEEE/Non-IEEE Participants	For both IEEE and Non-IEEE members
8.	Category of Event (Accredited Engineering/Engineering Technology/Computer Science/Continuing Education/Pre University/Projects)	Engineering technology
9.	Photograph (Screenshots or Images).	
10.	Feedback	https://meet.google.com/skv-hnex-nns <ul style="list-style-type: none"> • Informative and Interesting

		<ul style="list-style-type: none"> ● It was a nice session.
11.	Feedback of Chief guest, Industry, Academic & Government leaders (who participated in events)	Students make session interactive
12.	Event Description and Outcome (Quality and Quantity, Demonstration of successful outreach, Growth in chapter membership, Interaction with other society chapters/Young professionals/Affinity groups/Section, Societal Implication, different stakeholders included)	<p>The workshop "Introduction to git" was an online session conducted by IEEE CS SBC MBCCET in collab with IEEE CUSAT SB. The session focused to give awareness about github and for an exhilarating workshop where we will delve in to the world of github, the ultimate Platform for professional networking and learn how to leverage into land your dream job and built a powerful portfolio. The session was handled by Cyril C Thomas, Student of MBCCET.</p> <p>The participants were given awareness about github, .Finally, the idea on how to end a session was given. After all this, attendees also shared their experience of the session.</p> <p>The session was concluded by 9:00 PM.</p>
13.	Uniqueness of the Event	The talk session helped the participants to have a basic knowledge about git and how to use git for networking and job related oriented activities.

Pre-Event Analysis Form

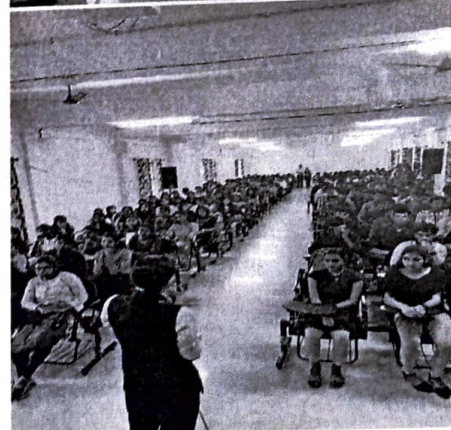

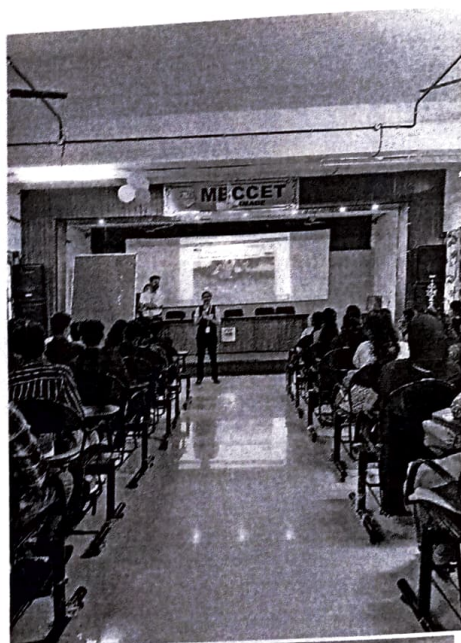

1	Event Type and Name	Orientation Session on IEEE for first year
2	Date and time	29th September 2023
3	Participants	First year student
4	Venue	Mini Auditorium ,MBC CET
5	Objectives	To make the fresher's aware about IEEE and its activities
6	Expected Outcome	The session included a detailed presentation on IEEE as part of the membership development session
7	Connected POs/PSOs	PO1,PO9,PO10
8	Resource requirements	Projector, Sound System ,Laptop
9	Any other relevant information	The orientation session helped the participants to gather all the essentials needed to know about IEEE and it's working
10	Responsible Persons	Report prepared by, Aryalakshmi R IEEE CS/CIS Chapter Advisor Approved by,
