Report on “EL FIESTA 2023”

The Department of Electronics and Communication Engineering (ECE) at [College Name] conducted the EC Day, the department's technical fest named EL FIESTA, on December 6, 2023, at the new Academic Block. The event was graced by esteemed dignitaries, including College Director Prince Varghese, and inaugurated by H.G. Dr. Geevarghese Mar Yulios, Metropolitan of Kunnankulam Diocese. The event featured Mr. Rahul T.R, Senior Specialist Quality at TATA ELXSI, as the resource person. Principal Dr. V.I. George, Vice Principal Prof. Elias Janson K, and Students Dean Fr. Sajin Sabu felicitated the function.

Mr. Rahul T.R, an alumnus of the 2013-2017 ECE batch, shared his expertise in a technical speech covering topics such as Introduction to Embedded Systems, design techniques, recent developments, and IoT. He also shed light on career opportunities in automotive embedded systems and consumer electronics, offered guidance on skillset building, and discussed resume optimization techniques.

Approximately 100 enthusiastic students from Mariagiri EMHSS Peermade actively participated in EL FIESTA. They engaged in hands-on workshops organized by the department's students, covering diverse topics. Sreenandh S led a session on Networking in the LCD lab, Diya Anna Thomas conducted the Basic Electronics Section at the Electronics workshop, Abin Antony hosted the Arduino and Raspberry Pi workshop at the Systems Lab, and Dan Kuruvilla and Anila Anna oversaw the LED Manufacturing workshop at the Communication Lab. These workshops provided valuable insights and practical knowledge, fostering a collaborative learning environment.

In addition to workshops, the department organized a project exhibition, various technical games, fun zones, and food courts at the new academic block, enriching the overall experience of EL FIESTA.

The EC Day, EL FIESTA, served as a platform for knowledge exchange, skill enhancement, and networking, furthering the academic and professional development of participants. The Department of ECE expresses gratitude to all participants, organizers, and sponsors for making the event a resounding success.
