

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

ALUMINI SPEAKS

NOBIN IPE (2003-2007)

DATE: 18-05-2022

ROOM NO: 125 (S6 EEE, 2019-2023)

INTERACTION TOPIC: How to become an Entrepreneur ?

Mrs. Fini Fathima, Alumni in charge of EEE Department proudly introduced Mr. Nobin Ipe (2003-2007 Batch) as a successful Entrepreneur. He is an active member of Alumni Association, MBCCETAA and also he has offered placement to our students.

Mr. Nobin Ipe discussed the opportunities in business after B Tech. He shared his experiences in job and his memories about the college. He urged the importance of hands on experience in designing circuit or a system.

He took his Masters in Business from Toronto University, Canada. He is now the Director of Floormate Rubber Products Pvt. Ltd., Kerala which is importing products to 18 foreign countries.

The scope in business after B tech is a question mark to the students. The main points he discussed includes

- Plan early for projects
- Gain hands on experience in the field
- Identify the threats and strengths
- Complete Masters education/ PG relevant to project
- Start your own work/ Project. Also sign up for startups/incubators.

After his session, there was an interactive session for doubt clearing. Students clarified their doubts. Mr. Nobin Ipe was very happy to share his experiences and spend time with his juniors.
