

**DEPARTMENT OF ELECTRICAL AND ELECTRONICS
ENGINEERING**

ALUMINI SPEAKS

ALEX ROY (2010-2014 Batch)

Date:06-05-2022

Room No: 125(S6 EEE,2019-2023)

Interaction topic: What's after B Tech?

Mr. Alex Roy graduated in 2014, discussed the job opportunities and higher studies with his juniors. He shared his experience in job and memories in the college. What's after B Tech is a big question to the students. He discussed the opportunities after B Tech.

He is working as a marketing manager. He also discussed the job opportunities abroad for electrical and electronics engineering graduates. After his session

there's in an interactive session for doubt clearing. Second year students clarified their doubts

Mr. Alex Roy is very happy to share his experience and spend time with his juniors.
