Technical Session

The technical session was taken by the resource person Dr. M V Rajesh, IETE Vice Chairman, Kochi Center. Topic for the session was 'Roadmap to Success in Engineering' which gave a brief description on the steps that an engineering student as well as a faculty should follow to achieve success in their career in the field of Engineering. Session provided with the moral values that we have to keep in mind and should have uniqueness that makes an Electronics Engineer. Speaker told about the scope of Electronics and Communication Engineering branch, its wide range of job opportunities and concluded with wishing and expecting more activities from IETE student chapter of MBC CET, Peermade.

Resource person interacting during the technical session

Feedback

Jilu Joseph (Fourth year student) and Jithin Koshy (Second year student) had delivered the feedback about the FDP. They told that the FDP was very informative and no boring at all since it was very interactive and lively along with active participation of students and faculty.

The inaugural ceremony including technical session comes to an end at 1.00 pm.
