

Volunteer Training on Member Get a Member

Date: 1st October 2019

Venue: PTA Seminar Hall, MBCCET

Time: 4.50pm to 5.30pm

No. of participants: 32

IEEE Volunteers of MBCCET were trained on how to add a new member to IEEE and other societies. The benefits to volunteers on referring a new student member and professional member were taught. The period of membership while registering different time was discussed. Also, each of the volunteers were assigned to add a new member at the venue itself. The session was taken by Eldhose Mathew, Chairman of IEEE MBCCET SB.
