

## **GRIEVANCE REDRESSAL CELL**

The Grievance Redressal Cell attempts to address genuine problems and complaints of students whatever be the nature of the problem. Students are encouraged to use the suggestion boxes placed on different sections inside the campus to express constructive suggestions and grievances. They may also approach the members of the cell or any of their other teachers as it is comfortable to them.

Students are requested to note that making a complaint is serious and therefore they are to use this power in a responsible manner. At the same time, the college assures students that once a complaint is made, it will be treated with sensitivity and confidentiality.
