Report**

Event: Workshop on GIS

Speaker: BINOY B V (Research Scholar, NIT Calicut, Department of Architecture)

No of participants: 43

Date: 04/04/2022 - 08/04/2022

Audience: Civil Engineering students

Org.Secretary: Serene K T

A five day workshop programme on GIS was conducted from 04/04/2022 to 08/04/2022 under the banner of Department of Civil Engineering, MBCCET, Peermade. Mr. Binoy B V was the resource person. The speaker explained how to make maps and the fundamentals of map making, Introduction to GIS & Mapping, Remote sensing techniques, Data analysis and data visualization. Attendees are familiarized about the future prospects in jobs and career opportunities or how they can build up their own GIS career in different industries.

Students feedback shows that the training was extremely helpful to enrich their knowledge in GIS. The training was concluded at 4.30 pm on 08/04/2022.
