Event: Workshop on Job oriented software in Civil Engineering Industry

Speaker: Gigith Emmatty (Reliant Institute, Cochin)

No of participants: 20

Date: 01/06/2021 - 05/06/2021

Audience: Civil Engineering students

Org.Secretary: Bobeena George

A five day workshop programme on Job oriented software in Civil Engineering Industry was conducted through Google Meet from 01/06/2021 to 05/06/2021 under the banner of Department of Civil Engineering, MBC CET, Peermade in collaboration with Reliant Institute, Cochin. Mr. Gigith Emmatty was the resource person. He had vast experience in software training. The speaker covered both theory and practical sessions on various areas like modelling, designing tools, sections, elevations, rendering and project documentation with relevant examples and case studies.

Students feedback shows that the training was extremely helpful to enrich their knowledge in softwares. All participants attended the online exam conducted by the speaker. The training was concluded at 4.30 pm on 05/06/2021.
