

# Event Report

Name of Event: Adobe Photoshop Workshop

Date of Event: 01-08-2023

No of Attendees: S4 CSE

## Event Summary

Agenda: Adobe Photoshop Workshop

An Adobe Photoshop Workshop was held on 01-03-2023 under media club of REACT

"Photoshop transforms your creative reasons into tangible results"

The Photoshop Tutorial Workshop held on 1<sup>st</sup> March 2023 provided an excellent platform for participants to enhance their skills and proficiency in Adobe Photoshop. This report summarizes the key highlights, activities, and outcomes of the workshop. This workshop was handled by Adithyan S and Dennis Daniel of S6 CSE

### Outcomes

- Enhanced Photoshop skills and image editing capabilities.
- Demonstration and live example helped participants grasp essential concepts.

### Feedbacks

Participants provided positive feedback on the quality of the presentations and practical exercises.

This workshop successfully met its objectives by educating participants, improving their skills, and confidence in using Adobe Photoshop for image editing and manipulation.
