PO6 – The Engineer and Society

- **Justification:** Fests often include socially relevant themes or events (e.g., energy awareness, tech for good, public health), helping students understand their role in society.

PO7 – Environment and Sustainability

- **Justification:** If fest activities promote environmental awareness (e.g., eco-friendly themes, green event management), they align with sustainable development goals.

PO8 – Ethics

- **Justification:** Ensuring fair conduct, respecting diversity, and promoting inclusivity during fest activities reflects ethical behavior.

PO9 – Individual and Team Work

- **Justification:** Organizing or participating in fests requires teamwork, delegation of tasks, and collaboration with various departments and stakeholders.

PO10 – Communication

- **Justification:** Involves verbal, written, and creative communication—event promotion, anchoring, presentations, or artistic performances.

PO11 – Project Management and Finance

- **Justification:** Planning and managing a fest includes budgeting, resource allocation, sponsorship handling, and timeline management—essential skills in project and finance management.

PO12 – Life-long Learning

- **Justification:** Participation in diverse events helps students discover new interests, learn soft skills, and develop adaptability—critical for lifelong learning
