

Mar Baselios Christian College of Engineering and Technology Peermade

Department of Electronics and Communication Engineering

Minutes of the first DAB meeting held on Aug 10, 2021

1. The first DAB meeting of the ECE dept. was held on 10/08/2021 through online mode.
2. The meeting agenda was to reformulate the Vision of the department, Mission of the department, Program Educational Objectives, and the Program Specific Outcomes.
3. The meeting started at 07.00 PM. Prof. Elias Janson K, the Head of the Department gave the welcome speech. Prof. Maria Joseph briefed about the purpose of the meeting and after the self-introduction of the board members, Prof. Lijosh Mathews presented the current vision, mission, Program Educational Objectives, and Program Specific Outcomes of the department.
4. The board members actively participated in the brainstorming session, came with valuable suggestions, and the Vision, Mission, Program Educational Objectives, and the first point of Program Specific Outcomes were reformed and finalized in the meeting itself.
5. As it was getting late to wind up the meeting, the board decided to reformulate the remaining points of the Program Specific Outcomes offline later by the department and send to all the board members for their perusal.
