## AWARENESS CLASS REGARDING THE CONSUMPTION OF ALCOHOL

A transformation talk was held at the college organised by the department on 1st October 2019. The talk was initiated by Fr. Alex J Vellapally, administrator of Peermade-based DARE De-addiction Centre. The main objective behind the talk was to create an awareness among the students about the use of drugs and its abuse to keep away the students from such evil so as to maintain good health and be good citizens.

## EDITORIAL BOARD

- ❖ Chief Editor : Mr Robins Anto, HoD, EEE
- ❖ Associate Editor : Ms. Deepa K Suresh
- ❖ Student Editor : Mr. Stalin Varghese Mathew  
Ms. Gopika Gopan

## FAREWELL TO THE OUTGOING BATCH

A farewell was given to the dear seniors of the department by the students of sixth and fourth semesters on 16th May 2019. The HOD of the department, faculty advisors and faculties of EEE department addressed the gathering and blessed them to pass out with flying colours.

## TEACHERS DAY CELEBRATION

As a token of respect and gratitude, the students of EEE department organised a teacher's day celebration on 5th September 2019. Students expressed their love and appreciation for their respected teachers on this day by sharing sweets and flowers. Prof. Robins Anto HOD of the department addressed the students and appreciated them for their great effort taken and motivated them with his valuable words.

## LED BULB MAKING TRAINING FOR COMMUNITY SERVICE CELL VOLUNTEERS

A LED bulb making training programme was conducted for the department community service cell volunteers on 23rd November 2019. The training was given by Adithya and Ajin Alex of S7 Computer Science department. It was an effective class and all were aware about the LED bulb making in detail at the end of the class.

## HOD'S Desk

Prof. Robins Anto MIEEE, MIE

Lantern the official newsletter of Dept. of EEE is towards the 4<sup>th</sup> edition. The span of June-Dec 2019, was certainly a period of hard work and dedication. Dept. has been working full-fledged towards NAAC accreditation. During the span, the Dept had organized the grand Alumni Meet in December 2019. Alumni meet was so successful that we could rap out with all the old alumni, who were ready to provide placement and even training for the students. As constant support and motivation, they were ready to provide a scholarship for three academically excellent and financially poor students worth Rs 50000/- each. As an upswing to the placement, the alumni entrepreneur has promised a drive in the core field. In all the semester's students are maintaining consistency in academics which in turn has brought EEE MBC one among the top-performing Dept. Special appreciation to the faculty and students in maintaining the same. This span also marked a considerable improvement in student's participation in MOOC Courses. The professional bodies also marked a great achievement by the initiation of a new student chapter of IEEE- Industrial Application Society. Students are highly motivated and initiate programs for self-development. Overall the students and faculties were in full swing for the great achievements of the Department.

## SEMESTER TOPPERS

Gopika Gopan  
S1&S2 Topper  
(SGPA 9.57)

Ansu Sara Mathew  
S4 Topper (SGPA 9.4)

Anu Rani Thomas  
S6 Topper (SGPA 8.57)

## INDUSTRIAL VISIT

Students of the third semester along with their faculty advisors visited Sabarigiri power generating station and studied the process of generation in detail on 16th November 2019, as part of the academic process.

## TECHNICAL TALKS

A technical talk was organised by the department for the students to get familiarised with the recent developments in the electrical industry. The talk was initiated by Er. Deepak T, assistant engineer, KSEB, alumnus of EEE department on the different facts of energy sector on 8th November 2019. He narrated a brief history of conversion of KSEB into newly formed KSEB limited. And he explained all aspects of the generation, transmission and distribution systems.

Association of EEE organised an invited technical talk by Dr. Prince A, Professor of RIT, Pampady on 8th November 2019 on PMU based power system dynamics.

He is an eminent person with 21 years of teaching experience and pursued his PhD on power systems from IIT, Delhi.

## DEPARTMENT ANNUAL ALUMINI MEET

The Department Meet for the year 2019 was organised on 21st December 2019. Prof. Christy A Koshy, former HOD of the department (2004 – 2009), was the chief guest of the programme. The aim of the meet was to reunite the alumni working in various places and to recollect the college memories and share their working experience to motivate the students. Around 38 alumni have participated to facilitate the program and discussed about the student's placement and opportunities. They discussed the fruitful ways to develop the present students in employable skills, academic knowledges and industrial projects.

Prof. Christy A Koshy, Former HoD, Dept of EEE (2004-2009), MBCET, Peermade, inaugurated the function and extended his support and assistance to students and institute. Dr. Pradeep .C, Principal, MBCET, Peermade, detailed about the need for interaction and involvement of the Alumni in departmental strategic plans and overall development of the college. And Mr. Anil Kumar P C, 2002 - 2006 Electrical and electronics batch, alumni representative addressed the gathering and sincerely expressed his gratitude to the Management and staff of MBCET for the guidance and support. And he announced a "meritorious Alumni scholarship" of Rs. 150,000 to academically well and financially needy students of Electrical and electronics of MBCET by 2002-2006 EEE alumni batch.

2002-2006 (EEE) batch handed over their contribution to academically well and financially needy students of EEE, MBCET by giving a check leaf of Rs. 150,000 to Principal.

The Alumni participated, shared their experiences with the students and guided them regarding opportunities and scope in various industries. They were committed wholehearted support for students in the area of training, project and placements.

As a token of love and gratitude, a memento distribution ceremony was arranged for faculties and staff who completed 10 years of experience in MBCET.
