

President of Mar Baselios Christian College of Engineering and Technology, Peermade **His Holiness Baselios Mar Thoma Paulose II** has directed college principal **Dr. Pradeep C** to change the institution's vision and mission statement of the college during the governing body meeting held on **9th October 2018** at Catholicate Aramana, Kottayam. His Holiness clarified about the importance of vision and mission for an educational institution. It can help a community reflect on its core educational values, operational objectives and purpose as a learning institution also ensuring that everyone is working towards a single purpose. This helps to increase efficiency and productivity in the organization.

Dr. Pradeep C., Principal directed to **Dr. Anoop K J,** IQAC coordinator to arrange a meeting to amend the vision and mission statement of the college on **14th January 2019.**

Following Honorable members have attended the meeting

1. Sri. Roy V. Vairamon- Director, MBCCET, Peermade
2. Prof. Dr. M.P. Mathai- Governing Board member, MBCCET, Peermade
3. Prof. Dr. Varghese Perayil- Governing Board member, MBCCET, Peermade
4. Sri. Sajan George- Governing Board member, Industrialist, MBCCET, Peermade, V.
5. Rev. C. John Cor Episcopa- Governing Board member, MBCCET, Peermade
6. Prof. Dr. Pradeep C., Principal
7. Mr. K.A. Abraham- Bursar - MBCCET, Peermade
8. Dr. Anoop K J-Dean of academics and IQAC coordinator MBCCET, Peermade
9. Prof. Dr. Nirmala Joseph, Dean- Student Affairs
10. Fr. Kuruvilla Perumal Chacko, Student Adviser
11. Prof. Manoj Nallanathel, HOD CE
12. Prof. Annie Chacko, HOD CSE, ISTE Coordinator
13. Prof. Elias Janson K, HOD ECE
14. Prof. Robins Anto, HOD EEE, IEEE PES Coordinator
15. Prof. Dr. Roja Abraham Raju, HOD ME
16. Mr. Joshy Joseph, PTA President
17. Prof. Prathibha Philip, PTA Secretary
18. Prof. Manikandan S, AP/Phy. Edu
19. Prof. Resmara S, KTU Coordinator
20. Mrs. Sunu P. Raju, Librarian
21. Prof. Lijosh Mathews, AP/ECE- Students Council Faculty advisor for the year 2018-19
22. Prof. Abel George, Placement Trainer
23. Prof. Bibin Thomas- Assistant Professor , Verbal and Language Trainer of the Placement Cell
24. Er. Deepak T- Alumni(2007-2011), Assistant Engineer, KSEB
25. Mr. Amal J S Luke(S7 CE), College Chairman for the year 2018-2019

Minutes of Meeting

Date of Meeting: - 14-01-2019

Time of Meeting: -11.30 AM

Venue of Meeting: - Conference Room

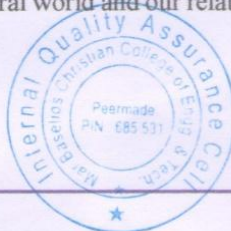

Agenda of Meeting: -

1. Redefining of Existing vision and mission of the college.

Summary of Discussion: -

1. **Dr. Pradeep C., Principal** introduced college infrastructure, human resource to the advisory committee members. He has also highlighted present vision and mission statements of the college. He has requested to **Prof. Bibin Thomas- Assistant Professor, Verbal and Language Trainer of the Placement Cell** to initiate the discussion.
2. **Prof. Bibin Thomas- Assistant Professor, Verbal and Language Trainer of the Placement Cell** introduced and outlined options for the committee regarding consultation on the revised vision and mission
3. **Sri. Roy V. Vairamon- Director, MBC CET, Peermade** suggested that the vision and mission statement needs to be more succinct therefore initially we have to examine on that to make revisions.
4. **Prof. Dr. M.P. Mathai- Governing Board member, MBC CET, Peermade**, has expressed the multiple aspects that teaching, learning, research and community outreach service so it should be incorporated in the mission such that the students should be educated with latest technological aspects to become more employable.
5. **Sri. Sajan George- Governing Board member, Industrialist, MBC CET, Peermade**, said that all the faculty should learn and get updated with current technology aspects, only then department as a whole will be able to function as a hub for feeding updated technology for our students.
6. **Prof. Dr. Varghese Perayil- Governing Board member, MBC CET, Peermade** expressed his opinion our students must complete a rigorous academic program that stresses the significance of human diversity, encourages critical thinking, fosters the capacity to learn, promotes knowledge of the natural world and our relationship to it, explores the complexity of the human experience.

7. **V. Rev. C. John Cor Episcopa- Governing Board member, MBCCET, Peermade** has discussed industry expectations from newly joined employees. His suggestion was to introduce seminar/workshop to updates students to deal with legal issues & how to identify & protect Intellectual property. He has suggested to visit site www.data.gov.in to search innovative projects. He has also highlighted need of opting multidisciplinary course to co-up with industry expectations.
8. **Prof. Dr. Nirmala Joseph, Dean- Student Affairs** told that not only the students should be updated with technical education, however each should be taught with professional ethics to encompass the personal, organizational, corporate standards of their expected behaviour for being a professional
9. **Fr. Kuruvilla Perumal Chacko, Student Adviser** suggested that Motivational talks to be organized by successful Entrepreneur for students.
10. **Prof. Robins Anto, HOD EEE** has discussed to develop the good habits of self-discipline, attitude among the students & organize the debate on Industry- Academic Institute interaction.
11. **Er.Deepak T- Alumni(2007-2011), Assistant Engineer,KSEB** has insisted to encourage & motivate students as per area of student's interest. Also it is requiring to develop problem solving ability among the students.
12. **Prof.Manoj Nallanathel, HOD CE** suggested to include the dynamic technical learning aspects i.e., dynamic learning environment is characterized by change, activity and progress. It is intentionally designed to meet the needs of all students while challenging them to enhance existing skills, interests and understandings, as well as meaningfully building new ones.
13. **Prof. Elias Janson K, HOD ECE** told that Lifelong learning can enhance our understanding of the world around us, provide us with more and better opportunities and improve our quality of life.
14. **Dr.Anoop K J-Dean of academics and IQAC coordinator MBCCET,Peermade** expressed his thinking about personality and Intellectual Competence that is a unique attempt to develop a comprehensive model to understand individual difference by relating major personality dimensions to cognitive ability measures, academic and job performance, and self-assessed abilities, as well as other traditional constructs such as leadership.

15. **Prof.Dr. Roja Abraham Raju, HOD ME** suggested to include the he Spirit of Innovation is a way in which all of us can express our own individuality. Innovation allows us to use our individual rights of thinking outside the box, and solving problems in different ways
16. **Prof.Annie Chacko, HOD CSE** told that our teaching leaning process should integrate with good will of the society
17. **Dr.Anoop K J-Dean of academics and IQAC coordinator MBC CET,Peer made** explained the factors in society need to change, Social change can evolve from technological change which created a new social group. So we have to add our vision to change our society.
18. **Prof.Resmara S, KTU Coordinator** mentioned about the real world problem solving is different from those that occur in a classroom or in a laboratory during an experiment
19. **Prof. Robins Anto, HOD EEE** recommended about team work that is working in teams increases collaboration and allows brainstorming. As a result, more ideas are developed and productivity improves. Two or more people are always better than one for solving problems, finishing off difficult tasks and increasing creativity
20. **Prof. Elias Janson K, HOD ECE** introduced a statement” Provide value based technical learning” as the first statement of our college mission
21. **Dr. Pradeep C, Principal** Research and development is crucial to our industry. The science, technology, and innovations are constantly changing and improving, and staying one step ahead means bringing the advancements to the products being made so we have to realize about the importance of research and development
22. **Dr. Pradeep C., Principal** summarized & concluded the session with change in vision and mission statement. and hand over to IQAC coordinator to make final vision mission statements.

The meeting ends with vote of thanks proposed by **Mr.Joshy Joseph, PTA President**

From IQAC meeting suggested vision and mission statements with simple sentences and can divide our mission with four statements. **Prof. Bibin Thomas- Assistant Professor, Verbal and Language Trainer of the Placement Cell** helped to make vision and mission statements. IQAC cell submitted to principal and principal submitted the revised vision and mission statement to governing body for the approval. Vision and mission statements approved in governing body meeting held on 7th February 2019

Existed VISION AND MISSION**VISION**

To provide a world class platform and academic environment in technical education sector to equip the end users of MBC CET for meeting the growing demands of the modern world by employing their technical competencies imbibed during their academic period.

MISSION

To provide high quality academic knowledge in Technical Education which is in tune with international standards in the Technological Arena appropriate for life long learning and research.

To create an environment which could facilitate the best learning opportunities for the students to sharpen their skills leading to the holistic growth of the individual beneficial to the society and the world at large.

REDEFINED VISION AND MISSION**VISION**

An Engineering Institute with global quality to groom competent engineers equipped to address the changing needs of society.

MISSION

Our efforts are dedicated for developing a learner centric education environment to:

- Provide value-based technical learning
- Practise real world problem solving
- Foster team work in engineering design
- Inspire innovations and R&D
